Company Overview:

G3 Tech Consultants LLC specializes in providing expert solutions tailored to businesses. Our services encompass IT consulting, computer system validation, SDLC, GxP compliance, quality management, audits, risk assessment, software assurance, and AI technology compliance. We proudly serve the technology, pharmaceutical, biotechnology, generics, medical device, CDMO, and digital health sectors. As a small business consulting firm, G3 Tech, a women-owned small business, is committed to delivering innovative and adaptable solutions for both government and commercial clients.

Core Capabilities:

We specialize in designing and delivering premium services for organizations in the following areas:

- **IT Consulting.** Pharma CSV, Data Integrity, Risk and Regulatory Assessment, GxP Compliance, QMS, Validation, equipment Qualifications, Infrastructure support, AI Compliance, CRM, IT Program & Project Mgmt.
- **Management Consulting.** Assessment. Process Improvements. Project Management.
- **Project Staffing.** Highly Qualified Specialists for internal projects.
- **Temporary Staffing.** Short-term workers to fill-in or supplement existing staff.
- **Direct Hire Staffing.** Place employees in long-term assignments.
- **Technology.** Telecommunications. Database Mgmt. Support Services. Secure environments.

Key Differentiators:

- **Our People.** We take pride in our dedicated team, with zero employee turnover over the past two years.
- **Certified Staff.** Our consultants hold industry-recognized certifications and possess both functional and technical expertise. We consistently receive above-industry-standard ratings from clients.
- **Customized Solutions.** We collaborate closely with clients to create personalized solutions that meet specific business needs.
- **Repeat Clientele:** Due to high quality work, 90% of our revenue has been from repeat business.
- **Regional coverage, local expertise. Multi-lingual.** We have a local understanding allowing us to cater to diverse linguistic and cultural needs.

Past Performances:

- Collaborated with industry-leading partners to support IT and compliance initiatives for clients in the pharmaceutical, biotechnology, and medical device sectors.
- Delivered customized solutions for small and medium-sized enterprises, streamlining their GxP compliance and quality management processes.
- Supported businesses in digital health and technology sectors with system validation and AI technology compliance to ensure regulatory adherence and operational efficiency.
- Provided expert advisory consulting to local needs, helping them navigate complex software assurance and risk assessment needs for new product launches.
